Space is limited! Register early!

The Young Adult Christian Catholic Leadership Institute is an intensive 2-day program full of opportunities to train young adults who want to explore Parish ministry or are already involved.

The participants will be challenged to a realization of their real leadership & ministry potential. The institute offers an opportunity for leadership development through leadership skills and styles, communication skills, decision-making skills, planning skills, group dynamics, consensus seeking and support groups offering opportunities to grow in personal faith and awareness.
